FEDERAL COMMUNICATIONS COMMISSION

Information Collection Being Reviewed by the Federal Communications Commission

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: The Federal Communications Commission (FCC), as part of its continuing effort to reduce paperwork burdens, invites the general public and other Federal agencies to take this opportunity to comment on the following information collection, as required by the Paperwork Reduction Act (PRA) of 1995. Comments are requested concerning whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

DATES: Written PRA comments should be submitted on or before **[INSERT DATE 60 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to the Federal Communications Commission via email to PRA@fcc.gov and Cathy.Williams@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Cathy Williams at (202) 418-2918.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-0010.

Title: Ownership Report for Commercial Broadcast Stations, FCC Form 323.

Form Number: FCC Form 323.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for profit entities; Not-for-profit institutions; State, Local or Tribal Governments.

Number of Respondents/Responses: 9,250 respondents; 9,250 responses.

Estimated Time per Response: 2.5 hours to 4.5 hours.

Frequency of Response: Recordkeeping requirement; On occasion reporting requirement; Biennially reporting requirement.

Total Annual Burden: 38,125 hours.

Total Annual Costs: \$26,940,000.

Nature of Response: Required to obtain or retain benefits. Statutory authority for this collection of information is contained in Sections 154(i), 303, 310 and 533 of the Communications Act of 1934, as amended.

Nature and Extent of Confidentiality: Form 323 collects two types of information from respondents: personal information in the form of names, addresses, job titles and demographic information; and FCC Registration Numbers (FRNs).

The FCC is in the process of publishing a system of records notice (SORN), FCC/MB-1, "Ownership Report for Commercial Broadcast Stations," to cover the collection, purposes(s), storage, safeguards, and disposal of the PII that individual respondents may submit on FCC Form 323. FCC Form 323 will include a privacy statement to inform applicants (respondents) of the Commission's need to obtain the information and the protections that the FCC has in place to protect the PII. This privacy statement will be finalized and included with the form instructions after the Commission has published the SORN for the collection.

FRNs are assigned to applicants who complete FCC Form 160 (OMB Control No. 3060-0917). Form 160 requires applicants for FRNs to provide their Taxpayer Information Number (TIN) and/or Social Security Number (SSN). The FCC's electronic CORES Registration System then provides each registrant with a FCC Registration Number (FRN), which identifies the registrant in his/her subsequent dealings with the FCC. This is done to protect the individual's privacy. The Commission maintains a SORN, FCC/OMD-9, "Commission Registration System (CORES)" to cover the collection, purpose(s), storage, safeguards, and disposal of the PII that individual respondents may submit on FCC Form 160. FCC Form 160 includes a privacy statement to inform applicants (respondents) of the Commission's need to obtain the information and the protections that the FCC has in place to protect the PII.

Privacy Act Impact Assessment: The FCC is in the process of publishing a system of records notice (SORN), FCC/MB-1, "Ownership Report for Commercial Broadcast Stations," to cover the collection, purposes(s), storage, safeguards, and disposal of the PII that individual respondents may submit on FCC Form 323. The FCC will publish the SORN in the Federal Register. Going forward, if the FCC makes substantive changes to Form 323 after its SORN is published, the Commission will conduct a full Privacy Impact Assessment of FCC/MB-1 SORN, publish a Notice in the Federal Register, and post both documents on the FCC webpage, as required by the Office of Management and Budget (OMB) Memorandum, M-03-22 (September 22, 2003).

Needs and Uses: Licensees of commercial AM, FM, and full power television broadcast stations, as well as licensees of Class A and Low Power Television stations must file FCC Form 323 every two years. Ownership Reports shall provide information accurate as of October 1 of the year in which the Report is filed. Thereafter, the Form shall be filed biennially beginning November 1, 2011, and every two years thereafter.

Also, Licensees and Permittees of commercial AM, FM, or full power television stations must file Form 323 following the consummation of a transfer of control or an assignment of a commercial AM, FM, or full power television station license or construction permit; a Permittee of a new commercial AM, FM or full power television broadcast station must file Form 323 within 30 days after the grant of the construction permit; and a Permittee of a new commercial AM, FM, or full power television broadcast station must file Form 323 to update the initial report or to certify the continuing accuracy and completeness of the previously filed report on the date that the Permittee applies for a license to cover the construction permit.

In the case of organizational structures that include holding companies or other forms of indirect ownership, a separate FCC Form 323 must be filed for each entity in the organizational structure that has an attributable interest in the Licensee if the filing is a nonbiennial filing or a reportable interest in the Licensee if the filing is a biennial filing.

Federal Communications Commission.
